Intelligence

Critical Thinking Skills for
the Professional

The Growth Mindset

Adaptability and Resiliency

Jun 5, 2023

Srikanth Mangipudi

has successfully completed the online, non-credit Specialization

Professional Skills for the Workplace

In this Specialization, learners developed and honed essential skills for today's dynamic workforce, including improving business relationships and communication, using sound judgment by engaging in critical thinking to reach decisions and solve problems independently, developing a competitive advantage by learning, adapting, and harnessing insights from past endeavors, assessing their own expectations and how those may align with or differ from what is required by employers and other stakeholders now and in the future.
